

# Izan Huang

1-646-348-0972 | izan.huang@cognizant.com | izanhuang.github.io/tmp-portfolio

## SKILLS

---

**Languages:** JavaScript (ES6), TypeScript, HTML5, CSS3, Java, Python, SQL

**Libraries & Frameworks:** Bootstrap, React, Spring Boot

**Tools & Platforms:** Git, Figma, Amazon Web Services, Firebase, MySQL, Postman

**Certifications:** JavaScript Algorithms and Data Structures, Responsive Web Design, AWS Serverless APIs & Apps

## WORK EXPERIENCE

---

### Front End Developer

*Cognizant - New York, NY*

*Aug. 2021 – Present*

- Developed an e-commerce web app with CRUD functionality using React and AWS for internal stakeholders. Implemented authorization and authentication with AWS Cognito, and payment with the Stripe API.
- Worked in an Agile environment to create an Instagram clone web app using React and Jest. Responsible for infinite scroll, default imaging, login page component and styling, and registration functionality.
- Created and deployed a REST API with Java Spring Boot and MYSQL utilizing JWT and BCrypt.
- Engaged in IPM and tasking, daily stand ups and product demos, and met stretch goals.

### Web Developer Intern

*WUSB Radio Station - Stony Brook, NY*

*Feb. 2021 – July 2021*

- Designed and created prototypes to revamp the website using Figma.
- Wrote and maintained a responsive custom sub-theme in Drupal using Lando, Gulp, and Sass.
- Engaged with the web development team to establish milestones, goals, track progress, and resolve conflicts.

## PROJECT EXPERIENCE

---

### Movie Finder

*New York, NY*

*Jan. 2022*

- Developed a movie finder powered by OMDb API in React and Firebase Authentication.
- Users can organize movies by starring and creating custom collections which are tied to their account.

### SBU Voting

*Stony Brook, NY*

*Feb. 2020 – May 2020*

- Developed a website in a team to provide easy access to U.S. county voter registration sites with React.
- Implemented a SimpleTexting sign-up web form for any registration or voting questions.
- Collaborated with SBU's Department for Civic Justice to suggest features and get feedback.

### Food with Friends

*HackHealth 2020 - Stony Brook, NY*

*Feb. 2020*

- Worked with peers to build an Android app for student dining using Java, Firebase, and Android Studio.
- Won "The Most Innovative Hack" award at the event.

## EDUCATION

---

### Stony Brook University

*College of Engineering and Applied Sciences - Stony Brook, NY*

*Aug. 2017 – May 2021*

- Bachelor of Science in Information Systems
- Relevant Coursework: Object-Oriented Programming, Database Design, Human-Computer Interaction

## ADDITIONAL ACTIVITIES

---

### Stony Brook Esports Association

*Secretary - Stony Brook, NY*

*Aug. 2020 – May 2021*

- Prepared and transcribed bi-weekly meetings to grow the e-Sports community on campus.
- Collaborated with clubs and sponsors to gain funding and host events.
